FRIDAY, JUNE 1: Today we will make breakfast, lunch and rest stops en route to Niagara Falls. Upon arrival, we will have a delicious dinner in the revolving dining room of the world-famous **Skylon Tower**. Have the opportunity to ride to the top of the tower to the observation decks for an amazing view of the falls and a 360-degree view of the Niagara Falls area. We'll then check in to our fallsview accommodations for the next two nights:

**MARRIOTT NIAGARA FALLS FALLSVIEW HOTEL**  
(905)357-7300  
6740 Fallsview Blvd.  
Niagara Falls, Ontario L2G 3W6

Our hotel has the enviable distinction as being the closest hotel to Niagara Falls and each room provides a beautiful falls view. As Niagara Falls' premiere AAA Four Diamond, five-star luxury hotel, the Marriott overlooks the majestic falls and is within walking distance to many area attractions. Tonight, we will have free time at the **Niagara Fallsview Casino** to enjoy the many stores, restaurants and gambling. The casino features over 3,000 slot machines and over 100 table games. An optional shuttle will also be provided to **Clifton Hill**, the Street of Fun, to enjoy the museums, gift shops, restaurants and the Great Canadian Midway Entertainment Center.

SATURDAY, JUNE 2: Following a buffet breakfast at the hotel in the award-winning **Terrapin Grille Fallsview Restaurant**, we will depart on a **guided tour** of the Niagara area. We will visit points of interest in Niagara Falls including the world famous **Floral Clock**. We'll have lunch and free time in the quaint town of **Niagara-on-the-Lake**, the first capital of Canada, to enjoy the charming shops and eateries. This afternoon, we will visit **Journey Behind the Falls** where we will take a journey deep below and behind the heart of Niagara and stand in the mist where the mighty Horseshoe Falls tumble from 13 stories above! Elevators descend 150 feet through bedrock to tunnels that lead to portals which are one third of the way behind the massive sheet of water. We will experience the awesome spectacle of one-fifth of the world's fresh water crashing

down to the basin below. During summer daylight hours, over 2,800 cubic meters of water thunders over the brink every second, traveling 65 kilometers per hour! Also walk on to the Upper and Lower Observation Decks located at the very foot of the Falls. Next, we will board **The Maid of the Mist** boat ride for a close-up view of the falls. The historical ride is North America's oldest tourist attraction which millions of visitors have enjoyed since 1846. A powerful diesel-engine boat transports passengers from the Canadian docks past the base of the American Falls, then into the basin of the magnificent Canadian Horseshoe Falls providing a thrill of a lifetime! We will then watch the movie "Legends and Daredevils" at the **IMAX Theater**. The movie will take you back to the days when Native people worshipped the thunder spirits and the first European encountered this wild wonder of nature. Meet the daredevils who challenged the fury of the Falls, from the Great Blondin, who completed a death-defying tightrope walk over the river in 1860, to Annie Taylor, a 63-year-old schoolteacher, who became the first person to go over the Falls in a barrel and live to tell the tale, to the heart-pounding terror of seven-year-old Roger Woodward, who survived the plunge with only a lifejacket. This evening, we will have a delicious dinner at **Table Rock Elements on the Falls Restaurant**.

**SUNDAY, JUNE 3:** After breakfast at the hotel, we will depart for home. We will visit the **Corning Outlet Store** for shopping and lunch on our own. Dinner and shopping is planned at the **Country Cupboard Restaurant** in Lewisburg, PA to complete this exciting tour.
